Your donations contribute to **Morning Star Counseling Community Fund** –  
please read more below:

*In the past, Morning Star has been a fee for services, fully self-supporting practice. A year ago we were blessed with a gift specifically to use for people who were unable to receive counseling because they did not have the resources. For the first time we had an option for individuals and families we used to turn away. Many of the reasons people seek counseling are also causes of economic difficulties, so we are grateful to be able to help clients who really need it. Please consider providing scholarship sessions for our Morning Star Community Fund. 100% of your funds will go directly toward those services. Please note these gifts are not tax deductible*

*Thank you for your generosity!*

Send check with entry form to:

**Morning Star Counseling, LLC**

200 S. Church Street, Quarryville, PA 17566
